Re: After School Credit Recovery Opportunity Starting Monday, February 4th

Dear Parent,

If you are receiving this letter, your child may already be enrolled in a credit recovery (APEX) program during their regular school day. In this credit recovery program, your child should currently be working on recovering missing required graduation credits, and/or retaking courses in order to try to raise their graduation GPA to above the required 2.0. If your child already requires such a credit recovery program during the regular school day, chances are they would ALSO benefit from an additional credit recovery opportunity after school, starting on Monday, February 4th. However, if your child is NOT already enrolled in the daytime APEX recovery program, BUT is off-track with credits and/or GPA, this opportunity is especially critical!

This after school credit recovery program will take place every Monday and Wednesday (starting on 2/4), from 2:45-4:45pm, at Wesley Chapel High School, and offer credit recovery in Math or Social Studies. If your child can attend, please fill in only your **student's name, student ID #, PARENT SIGNATURE, PHONE # AND EMAIL**, on the registration form on the back of this letter. Then, please return it ASAP to Mrs. Richter (APEX credit recovery teacher), or your child's school counselor in the student services office. Registration forms can also be photographed or scanned and emailed directly back to your child's school counselor, if more convenient.

Once your child's school counselor receives the form, they will evaluate to see what course your child needs to be enrolled in for the after school credit recovery opportunity. Please note that unfortunately NO transportation is available for this opportunity, so pick-up transportation would need to be provided every Monday and Wednesday at 4:45pm. Also, seats for this opportunity will be limited, so openings will be offered on a first-come-first-served basis, and it is therefore critical to register your child asap. If you have questions or concerns please contact your child's counselor directly.
